### BIRAS CREEK BEACH FÊTE

**The Resort:** **Biras Creek Resort**—a bungalow-style boutique hotel on Virgin Gorda that's accessible only by boat or helicopter—ups the ante on "private destination" by being utterly secluded. This oasis is set on a 140-acre nature reserve surrounded by white sand beaches and glass-top turquoise waters. All 31 luxury suites sit less than 20 feet from the ocean. Private verandas, outdoor garden showers and private plunge pools (in select accommodations) are all featured. A full-service on-site spa, cliffside pool, private beach with cabanas and loungers, beach activities and the *Wine Spectator*-recognized Hilltop Restaurant complete the resort's amenities.

**The Package:** "The Getaway for Two" package—perfect for vacationing BFFs—includes a five-night stay, three scrumptious meals served daily from Biras Creek Restaurant, and a \$200 spa credit (per person). Beach instructors are available to assist with sporting adventures. Valid June 15 - Nov. 15, 2011

**The Price Tag:** Starts at \$2,980

The private oasis that awaits at Biras Creek Resort is well worth the boat or helicopter ride to get to it.

St. Barths' Hotel Le Toiny offers guests a romantic and intimate Caribbean getaway.

### BAYSIDE HIGH

**The Resort:** The phrase "get lost," when used in reference to **St. Barths' hidden Hotel Le Toiny**—the West Indies' most private and discreet resort—is a positive thing. Located on 38 acres on the southeastern side of the island, this quiet enclave offers guests an intimate Caribbean getaway, including a luxurious stay in one of 15 private villa suites laced with paradise views, plus private terraces and a heated swimming pool. A scenic backdrop overlooking Le Toiny Bay is a bonus.

**The Package:** Just when you thought Valentine's Day was over comes the new "Romance Package." Picture six nights in a one-bedroom villa suite with a private pool and an ocean view; couple-friendly amenities and adventures; a full American breakfast served in-suite daily; a half-day private photography session with a take-home CD of breathtaking underwater images; a three-course candlelit dinner; a 60-minute couple's massage, private round-trip airport transfers; a convertible Mini Cooper rental car; lunch and a bottle of Champagne; and flowers upon arrival.
